

NICO DANN

Full Stack Web Developer

dev.nicodann.com

Toronto, ON

PROFILE

A dad, web developer, jazz drummer and educator with over 20 years of experience across diverse fields. Passionate about web-development with a focus on clean, modular code to make life easier for everyone including future me!

A problem-solver who loves puzzles and learning new tech, combining creativity with an eye for aesthetics. A patient team-player and empathetic teacher who thrives on sharing knowledge and helping others grow.

Nico est bilingue français-anglais.
